

# A Warm Welcome from Camp Ballibay

Welcome to Ballibay! We are delighted to be caring for your children this summer.

We have exciting activities planned, a wonderful staff, a beautiful campus, and exceptional food waiting for them on Ballibay Mountain.

There are several more steps than in the past to prepare for camp this summer, and our Parent Handbook is filled with a lot of detail this year, we ask that all families review it carefully. The handbook also contains our final Covid protocol for 2023. In brief:

- Your camper will be rapid tested upon arrival. Any campers who receive a positive test result will be unable to join camp.
- Your camper must be “fully vaccinated,” having received both doses of a two-dose Covid vaccine, or a single-dose vaccine, at least one month prior to arrival. Vaccine cards are to be uploaded to your account.
- We are no longer a quarantined campus, but we do ask that all visitors mask while visiting the camp. This includes wearing a mask when you are helping your camper move into their bunk. We appreciate your understanding.

To comply with the state regulations, we’ve partnered with Pack My RX, who, for a very modest fee, will fill all your campers’ prescriptions, pack them, and send them to camp! You should have received information on Pack My RX via email in April – this information is also available in the Parent Handbook.

Because Pack My RX is located in Florida, we recognize the complications in asking your doctors to prescribe any type of medication that provides gender-affirming care to your camper. Camp Ballibay is dedicated to supporting our LGBTQ+ community and want to ensure campers get the appropriate medical care they need. If your camper is taking any type of growth hormone, testosterone, estrogen, or puberty blockers you do not need to go through Pack My RX for these medications. Please email us at [directors@ballibaycamps.com](mailto:directors@ballibaycamps.com) if you have any questions regarding your campers’ medications.

These and many other topics are addressed in detail in the Parent Handbook, included in the packet found [here](https://ballibay.family/2023-May-Parent-Info): <https://ballibay.family/2023-May-Parent-Info>

## In this packet please find:

- The 2023 Parent Handbook,
- A suggested Clothing/Packing List
- A Map of Campus

## See you this Summer!

But don’t hesitate to call or email with any questions, comments, or concerns!
