

Camp Ballibay

Packing List

This is a suggested clothing & packing list. You know your child's likes and dislikes, so please feel free to substitute items to suit your campers' needs. Staff, please use this list as a guideline and contact us with any questions.

We supply all campers with:

A water bottle

A 3-ring binder with daily schedule pages

A "ballibag" tote bag

If in doubt, don't pack it...

Items can be sent to your camper at camp. No food or snacks please! All the major services ship daily to the camp. Use this address:

Your Camper's Name
Camp Ballibay
1660 Ballibay Road
Wyalusing, PA 18853

There are no uniform requirements at camp; just pack useful, sturdy clothing. Camper laundry service is weekly, so a two-week supply of clothing is necessary.

Campers' clothing and personal items are kept on shelves in the cabins; all luggage is collected and stored for the duration of each session.

Please label everything

There is no need for cash on campus; campers' cash, keys, plane tickets, passports, and other special items will be collected by cabin staff and kept in the camp office.

Phones

Campers are not allowed to have mobile phones or devices with cellular data capability. If your camper is travelling alone to camp and you wish to be in communication *en route*, we will collect your camper's phone upon arrival, keep it in the office, and return it at the end of the session.

Phones of any type are not allowed, even with the SIM card removed.

Important

- **Our insurance company does not allow open-toed shoes to be worn outside of the cabin and pool area.** Foot injuries due to open-toed shoes are a very common summer camp injury. Please purchase closed-toe sandals for camp.

- Camp policy does not allow wearing high heels or big heels outside of buildings. Sneakers, boots, and closed-toe sandals are the best shoes for camp. All footwear should be sturdy and designed for the outdoors. Fancy footwear can be kept in the cabin, carried to special events, and donned there.

- **Aerosol Spray Products are not allowed on campus.** Please do not pack hair spray, spray deodorant, spray suntan lotion, or any similar aerosol spray product. Pump sprays are fine.
