

# A Warm Welcome from Camp Ballibay

Welcome to Ballibay! We are delighted to be working with you this summer.

We hope you are excited to join our safe, creative, and caring environment. We have an incredible group of kids and staff with us this summer.

There are several more steps in preparing for camp this summer, and our Staff Arrival Manual is filled with a lot of detail this year, so please review it carefully.

Among the changes are, of course, our Covid protocols, including an antigen test taken before arrival and a vaccination requirement.

These and many other topics are addressed in detail in the Staff Arrival Manual, included in the packet found here: <https://ballibay.family/2023-staff-arrival-manual>

Please also re-visit the Pre-Arrival Manual and Agreement that you signed along with your contract. Review the information there and check to see if there are any action items you have not yet completed, such as the Staff Directory, tax forms, etc...

## In this packet please find:

- The 2023 Staff Arrival Manual
- A Suggested Clothing/Packing List
- A required Staff Medical Form
- A required Infectious Disease Waiver and Agreement
- A map of campus

## See you this summer!

But don't hesitate to call or e-mail with any comments, questions, or concerns!
